Religious Riots.

London, 3 — Advices from Colombo, the capitol city of the island of Ceylon. report that victous riots occurred lately between Buddhists and Papists. The catholics seriously objected to the religious procession of Buddhists in which was carried a crucifix surmounted by a monkey. This latter combination, which the Papists held to be an insult to the Catho-olic religion, brought about a violent contest in the streets, which was only stopped by the vigorous efforts of troops who dispersed the rioters and restored peace without bloodshed. A number of participants, however, were roughly bandled.

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Brown's Iron BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Brown's IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, mala-ria, intermittent fevers, &c.

Mr. Simon Blanchard, a well-known chiren of Hayesville, Meade county, Kentunky, says: "My wife had been sick for a long time, and her constitution was all broken down and she was unable to work. She was advised to use Brown's from Bitters, and found it to work like a charm. We would not now be without it for any consideration, as we consider it the best tonic in the world."

Brown's Iron Bitters is not a drink and does not contain whiskey. It is the only preparation of Iron that causes no injurious effects. Get the genuine. Don't be imposed on with imitations,

BROOKS' THREAD.

This Famous English Thread, which stands un-rivaled throughout the world for smoothness of finish and for strength of cord will shortly be introduced in this market. It is the only Thread in the American market that is made in England. The English water possessing the chemical properties of add-ing to the stren th of the yarn--and so the higher numbers--from 50 to 100 are 30 per cent. stronger than any other thread sold. All other thread factories have been removed from England to America to save the duty and so make a CHEAP thread. The excellence of BROOKS' THREAD is well known in every family which has ever used it. Can be used on all Ma-
